Certificate of Reinstatement by the deadline, or in case there would be no record of attendance of the registered child in the nursery.

<p>◆In the case of making an application during childcare leave or taking it in the month of entering the nursery: In case of taking a child-care leave on your own wishes(eg. Accompanying your spouse to be transferred out of prefecture or Japan etc.)</p>

<p>◆If entry is within the five months period including two months before and two months after the expecting delivery month of the child.</p>

If your working days/hours would be decreased (e.g. submitted working days were 5 days per week but changed to 4 days a week or submitted working hours were 8 hours a day but changed to 7 hours a day. However, in case you want to use childcare time system at your place of employment, your admission would be kept valid (your admission will not be cancelled.) as long as you work 4 days a week, 8 hours a day or more, or 5 days a week, 6 hours a day or more.
